IQT Registration Process for Security Onion Certified Professional (SOCP) Exam

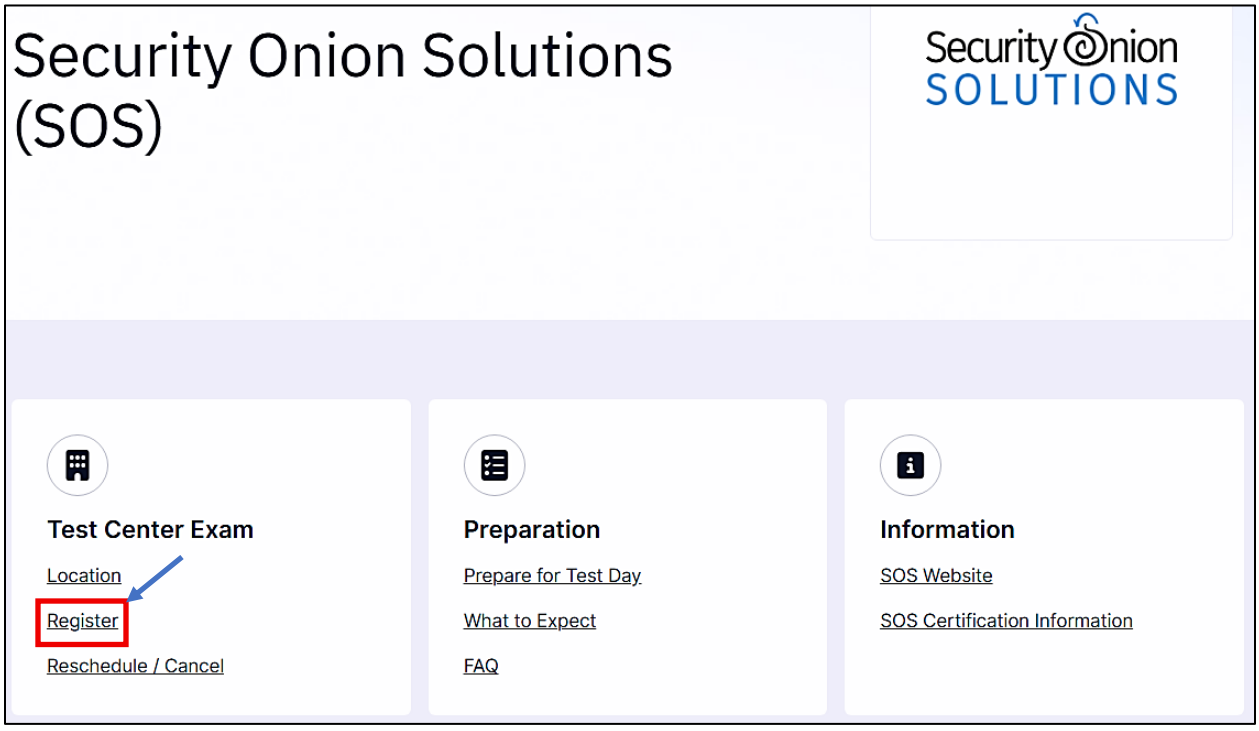

1. Under the SOCP Exam section on the https://securityonionsolutions.com/certification webpage, click on Schedule exam.

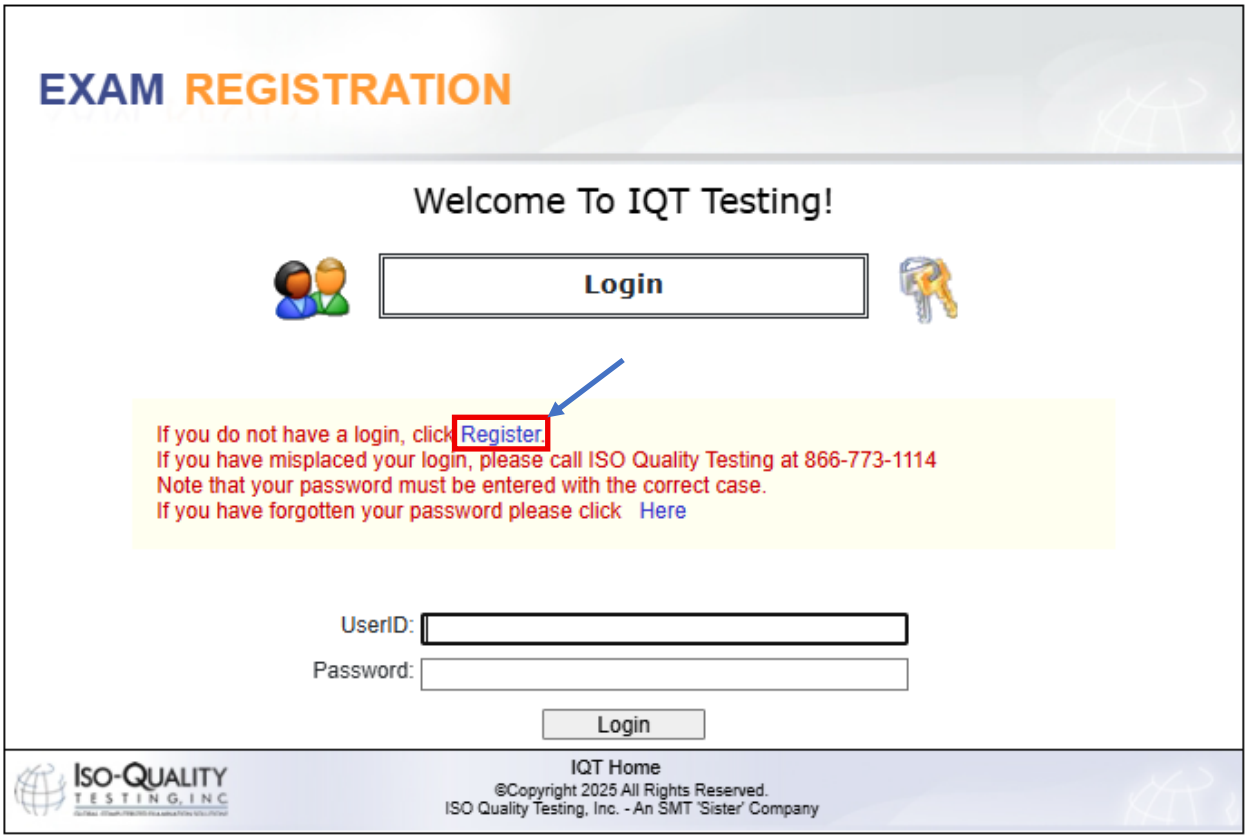

2. Before scheduling the SOCP Exam, you must register as a candidate under the Test Center.

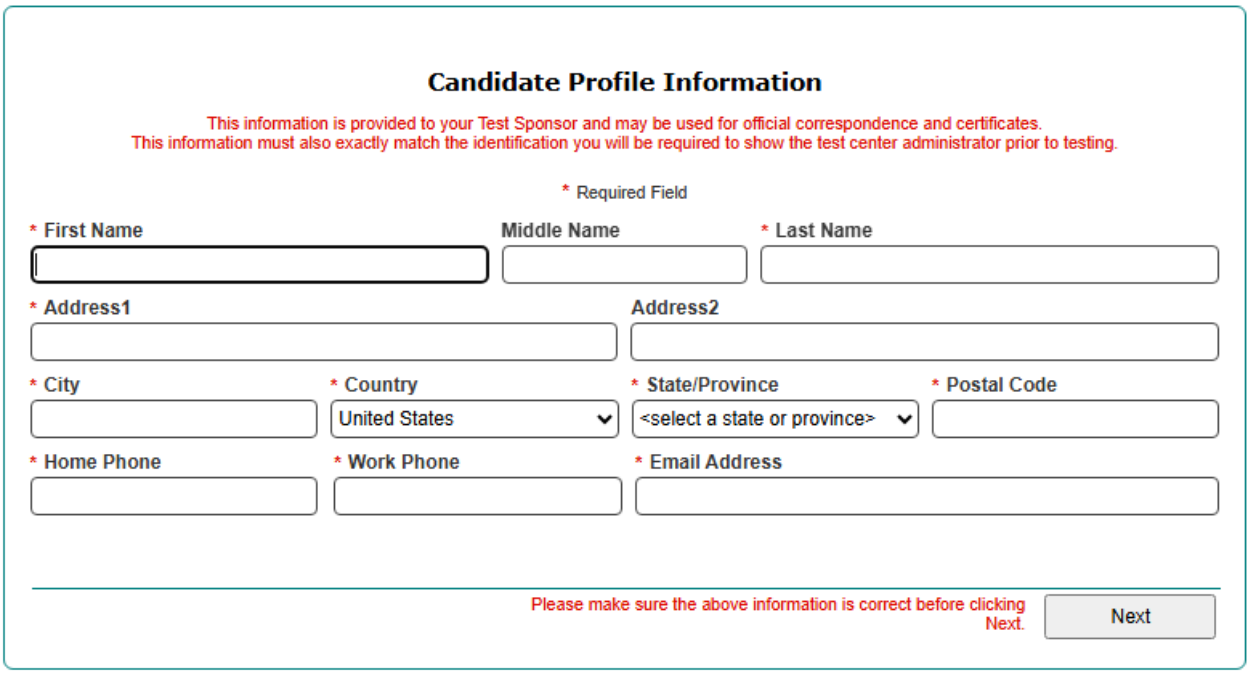

In the Exam section on the Security Onion Solutions Prometric page, click Register.

Note: After registering as a Candidate, you will be provided with a Username and a temporary password. Write that down. Once you verify your account information, you will be able to change the password.

If this is your first time registering with Prometric, you will need to input your personal data to create your account. To begin, click Register.

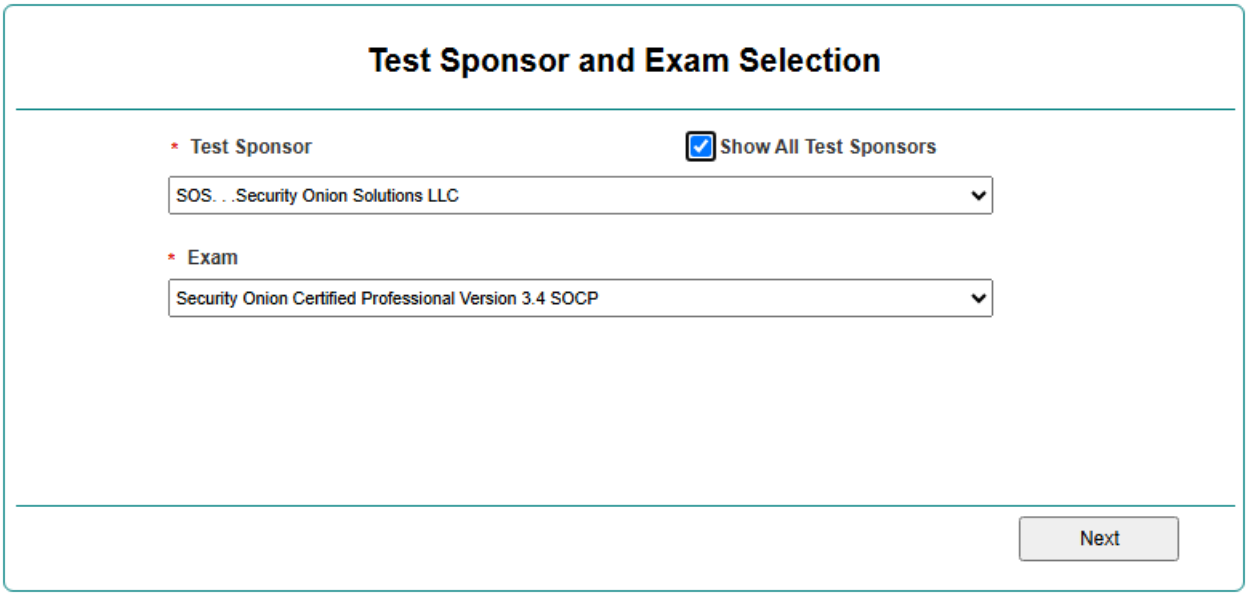

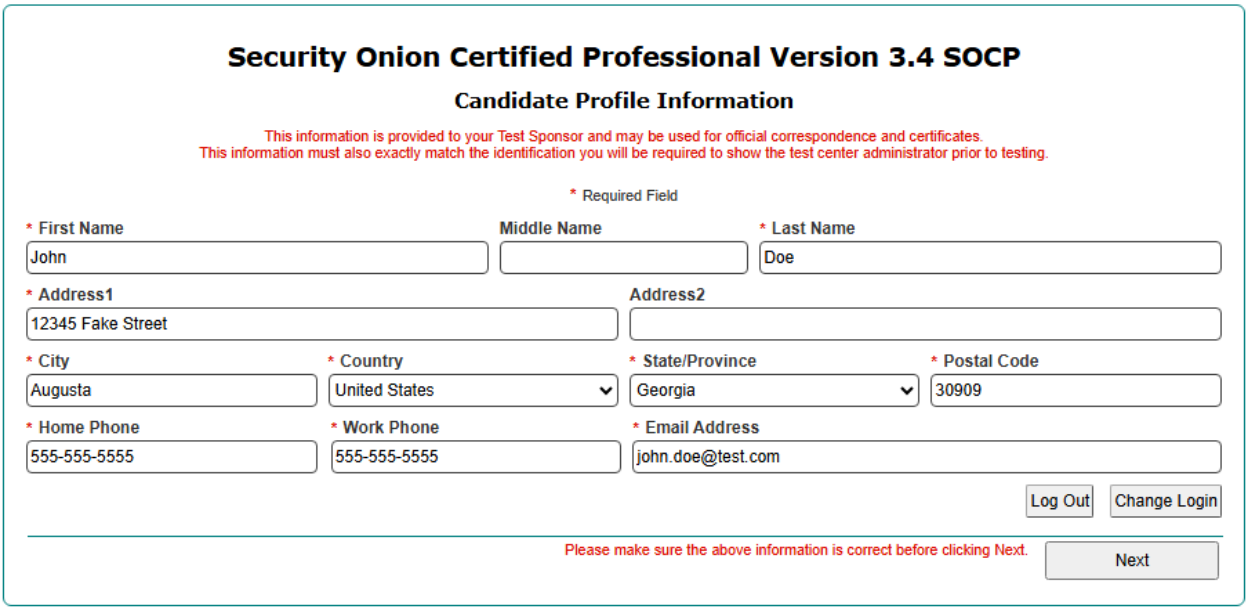

3. Complete the Exam Registration page and click Next.

Note: When registering for an exam, ensure you use the Name and address as they appear on the Photo ID you will use when you take the exam.

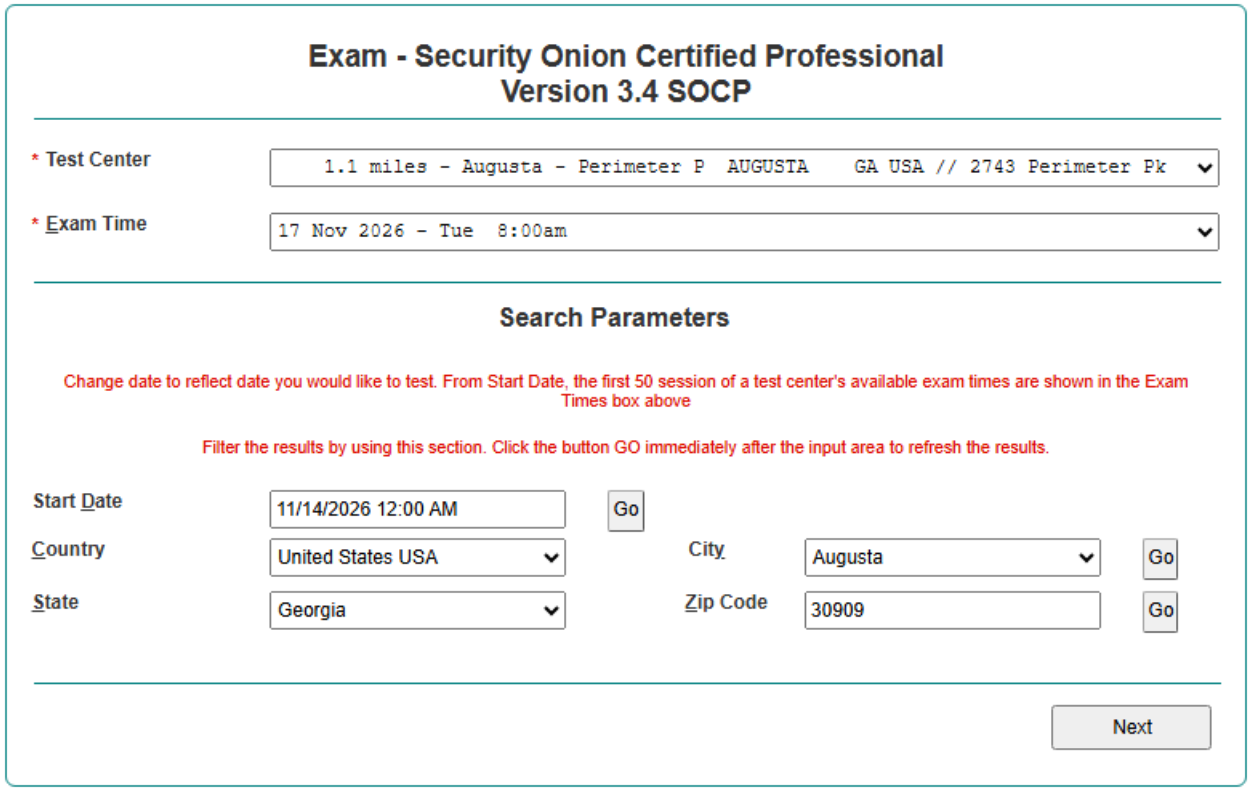

4. Once registered, you must select the Organization and Exam. From the Organization dropdown select SOS. . .Security Onion Solutions LLC. From the Exam dropdown, select Security Onion Certified Professional Version 3.4 SOCP.

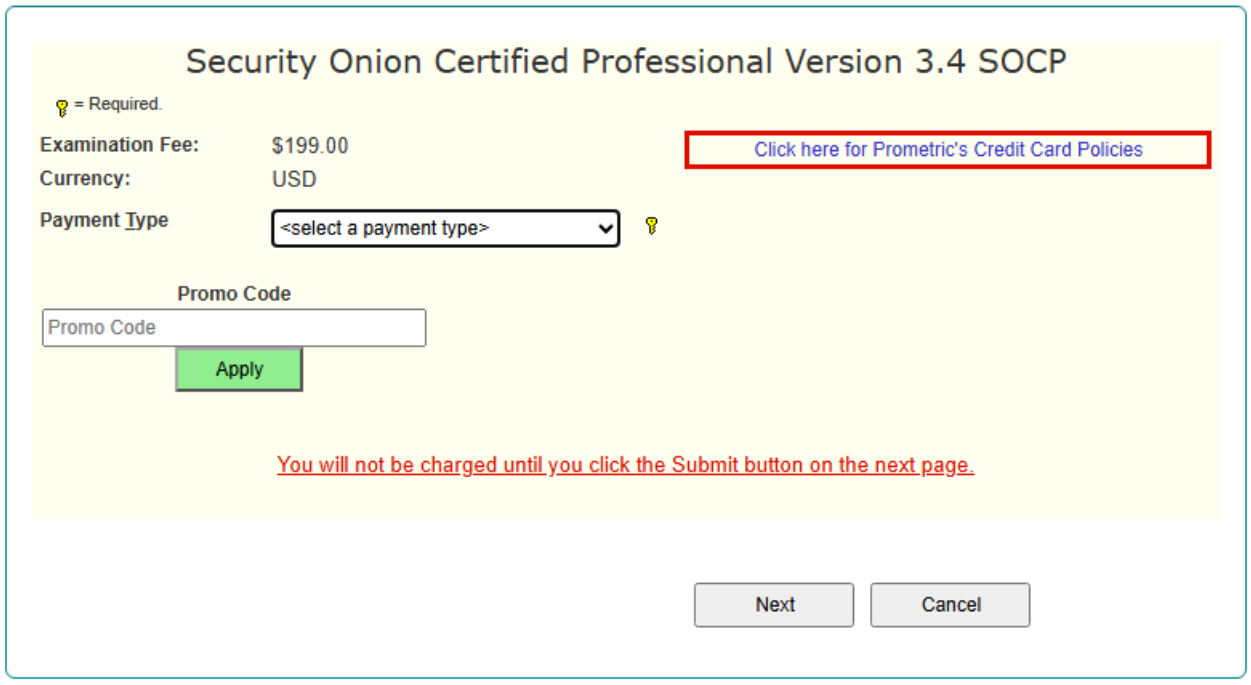

5. Confirm your profile information and ensure the exam selected is correct.

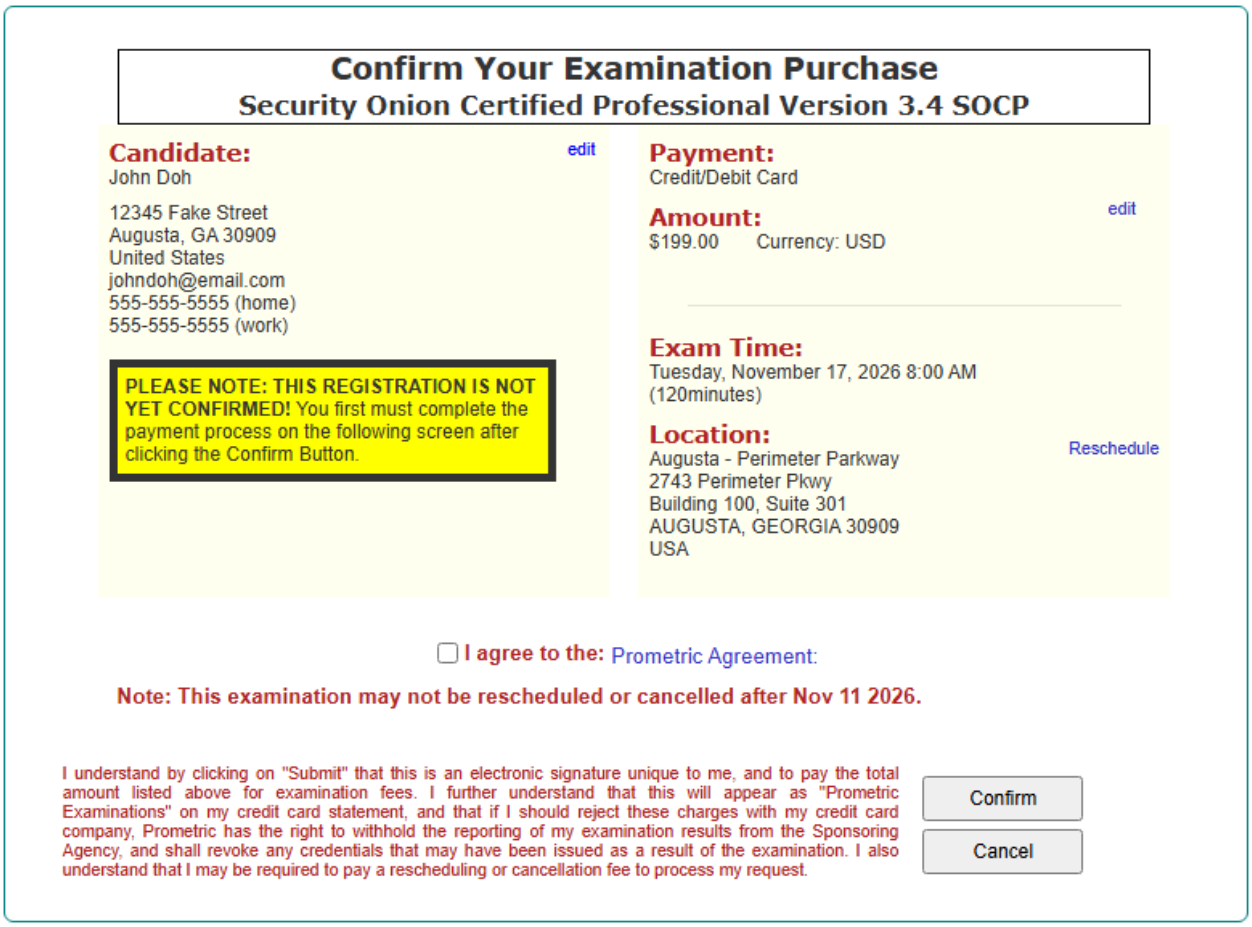

6. Next, you will choose your testing center and exam start time.

7. Select a payment method, enter Promo Code if applicable, and click Next to proceed to payment confirmation.

8. Review all information to ensure accuracy and Confirm. This will take you to the final step of entering your payment information and charging your payment method.

9. Congratulations, you are now registered to take the Security Onion Certified Professional (SOCP) Exam. Good luck.
